## FARMERS FIND FERTILIZER IS DROUGHT HELP

Seventy-five Adams County farmers Thursday toured three of the seven farms in the county completing a five-year fertilizer experiment and found that lots of fertilizer helps cut down damage from drought.

At the farms of Calvin Bream, Gettysburg R. 3; Glenn Sterner and son, Gettysburg R. 1, and Charles Klinger, New Oxford R. 2, they found the fields "looking better" than neighboring fields where less fertilizer was applied. County Agent Frank Zettie explained the theory that because of the fertilizer the crops developed larger and better root systems and thus were able to better obtain what little moisture was available.

The other farms in the experiment are those of Herbert Sterner, Littlestown R. 1; Roy Weaver Jr., Gettysburg R. 6; Harrison Fair, York Springs R. 1, and John Keiser, East Berlin R. 1.

**5 YEARS OLD**  
The experiment in farm fertilization, accompanied by various improved farming practices, began five years ago with 10 farmers cooperating. Three dropped from the program shortly after it began.

The "Farm Test Demonstration" was a cooperative affair between the farmers, the Pennsylvania Agriculture Extension Service and the Tennessee Valley Authority, which provided the experimental fertilizers at cost to the cooperating farmers. Most of the fertilizers were basic nitrogen and phosphorus materials which were formulated in the county and mixed by the Central Chemical Cooperation plant here.

Under the plan the cooperating farmers agreed to take complete soil analysis each year and apply fertilizer as recommended. They agreed to keep complete farm records in addition to following farming recommendations of the extension service.

During the all-day tour Thursday, County Agent Zettie and Fred Hughes, Wayne Hinsh and James Eakin, farm management and agronomy specialists from Pennsylvania State University, gave numerous details concerning the working of the program.

Their reports showed that for five of the farms where dairy operations were carried out and a general summary could be made for all five farms, the farmers' net income increased from a \$5,891.82 average in 1958 to an average of \$6,626.41 in 1961. Gross receipts per acre increased on an average from \$21,005.95 to \$24,155.02. The pounds of milk produced per acre increased from 2,206 to 2,551; the value of feed produced per acre jumped from \$69.65 to \$97.24. While fertilizer costs per acre increased by only 51 cents, from \$13.47 in 1958 to \$13.98 last year, other costs per acre increased from \$6.28 to \$8.86.

Richard Long, soil conservationist for the county, outlined at the Klinger farm the work done there in surface drainage.

## BLOOD DONORS

Those who donated blood at the Warner Hospital this week were: Allen Larson, Mrs. Jean Reaser, Mrs. Dolores Liller, John Heitz, Mrs. Kathryn Hewitt, all of Gettysburg; Rufus Millhies, New Oxford; Laverne Lovey, Littlestown; James Sparkman, York Springs; Doug Sparkman, Johnsville, Md.; Merrill Yohe Jr., Harrisburg; Murray Hardman, Emmitsburg; and Fred Butler, Gettysburg College.

## British Order El Al Line To Return Soblen To U.S.; Firm Told Not To Take Him

LONDON (AP) — The British government ordered Israel's El Al airline today to take Dr. Robert Soblen to the United States. Two U.S. marshals stood by to escort the fugitive spy home to start a life term for espionage.

The formal order was delivered to the airline this morning. Its next flight to New York leaves tonight (2 p.m. Eastern Standard Time).

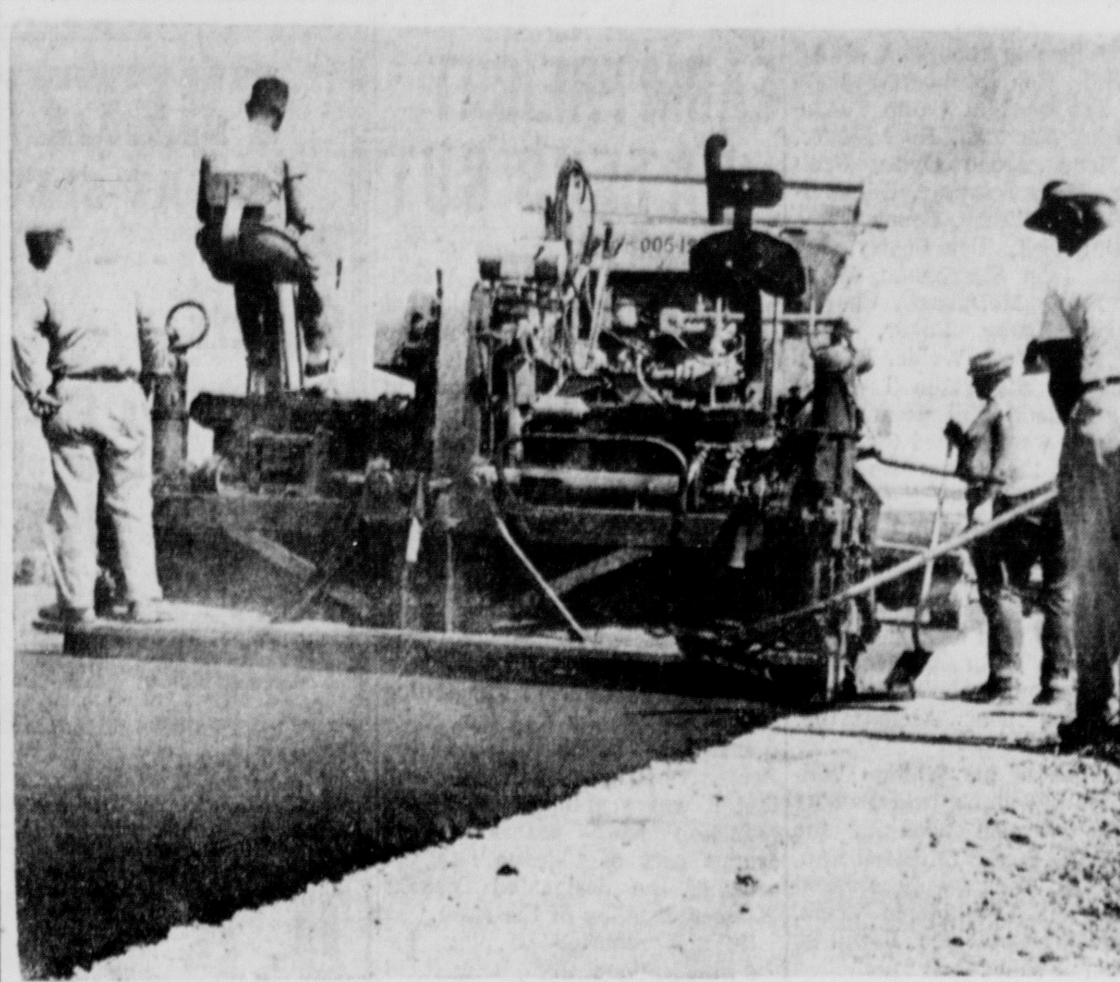

A high government source in Jerusalem said the Israeli government was shocked at the British government's demand that the El Al airline fly the 61-year-old psychiatrist to the United States.

## FACE NEW PROBLEM

An Israeli parliamentary source reported Tuesday that Transport Minister Bar Yehuda had instructed El Al's London office not to accept custody of Soblen again. El Al landed him in Britain July 1 when he slashed a wrist and his abdomen while being flown to New York after Israel expelled him.

## PAGEANT WILL MARK JUBILEE OF ST. JOHN'S

St. John's United Church of Christ (formerly German Reformed), New Chester, will celebrate the 100th anniversary of the building of the church Saturday and Sunday.

The observance will begin Saturday evening at 8 o'clock with the presentation of the pageant "One Hundred Years at St. John's." Written by a church committee, it presents some of the historical church events, with some of the characters portrayed by descendants of former church members.

Sunday morning at 11:15 o'clock, the worship service will be in charge of Rev. Ernest W. Brindle, the pastor. Rev. Harry Kehm, a former pastor, will preach the sermon. Mrs. Rebecca Zinn Schwenk, Gettysburg, will sing a solo.

## FELLOWSHIP LUNCHEON

Following the service, a fellowship luncheon will be served in the hall for members and friends of the congregation. At 2:30 p.m. a home-coming and reminiscence session will be held. Rev. Alton Leister, a former pastor, will be master of ceremonies. The following former pastors will participate: Rev. Harry S. Kehm, Rev. Harry Houtz, Rev. Alvin Forry, Rev. Russell Heintzelman and Rev. William Anderman. Rev. Harold Ditzler, son of a former pastor, and Mr. Von Maugher, grandson of a former pastor, will also be present. Several other descendants of pastors have been invited in addition Rev. Mr. Moyer, president of the synod, will attend and neighboring pastors have been invited.

## K. C. MEETS SUNDAY

A special meeting of the Gettysburg Knights of Columbus will be held Sunday evening at 8 o'clock in the K of C rooms, Lincoln Square, Grand Knight Frank Sionaker announced today.

## 20,000 Cheer Ike And Mamie

COLOGNE, Germany (AP) — An enthusiastic crowd of 20,000 persons jammed the square and streets in front of ex-President Dwight D. Eisenhower's hotel today and prevented him from visiting the Cologne Cathedral across the way.

Police tried to rope off a passage through the crowd but the shoving well-wishers strained against the ropes, and Eisenhower sent word that he would call off the visit.

Everywhere they went Thursday after their arrival, Eisenhower, his wife and two grandchildren were greeted by waving, clapping Germans.

## 6 ARE TREATED FOR INJURIES

Six persons were treated Thursday at the Warner Hospital for minor injuries received in a variety of accidents.

Francis X. Sanders, 37, R. 5, an employee of the Adams County Novelty Company, was treated for contusions of the right foot suffered when a motor of a sump pump fell on his foot Wednesday evening.

Charles W. Sterner, 11, son of Mr. and Mrs. Charles Sterner, 153 Chambersburg St., received treatment for a laceration of the left ring finger sustained when a car door closed on his finger.

## FALLS FROM WAGON

Sandra L. Leppo, 6, Littlestown, who fell from a child's express wagon, was treated for contusions of the head, cerebral concussion and abrasions of the left upper arm.

James R. Kuntz, 9, Erie, who fell from a merry-go-round on a playground, was treated for a laceration of the scalp.

Alfred Wymer, 49, Biglerville R. 2, an employee of the Robert E. Eicholtz and Son sawmill, received treatment for lacerations to the left middle and ring fingers. Miss Jan M. Makovsky, 23, Biglerville R. 1, was treated for a laceration of the left eyebrow sustained when she was struck by a car door.

## 400 COUNTIANS WILL EXHIBIT AT ROUNDUP

More than 400 youths are scheduled to take part Wednesday in the annual Adams County 4-H Roundup at the South Mountain fairgrounds.

Thousands of exhibits will be on display during the all-day program that begins at 10 a.m. and winds up at 8 p.m.

In addition to the display, judging contests will be held in clothing, food and nutrition, vegetable judging and flower identification, the annual dress review will be presented and the annual county-wide 4-H pig show and sale will be held.

## EAR-TAGGING TUESDAY

The pig roundup will be held from 6:30 to 8 o'clock Tuesday evening when the animals are to be ear-tagged at the fairgrounds. The pig show is scheduled to start at 8:30 a.m. Wednesday with the pig sale scheduled for 2:30 o'clock in the afternoon.

There will be three weight classes in the swine competition, with an overall champion and reserve champion also to be selected. Prior to arrivals at the fairgrounds the animals must be washed, ears clipped and tails should be shaved, leaving about two inches of the switch on. Black pigs should have a light coat of oil on show day, while white pigs should be powdered with white talcum, Associate County Agent Duane G. Duncan said.

Junior and senior divisions are scheduled for all judging contests.

## CLOTHING DIVISION

In the 4-H clothing division members of the "Start Stitching" clubs will display garments they have made; the "Let's Make a Dress" groups will show sleeveless dresses; the "Make a School Dress" clubs will show cotton dresses with appropriate shoes and at least one other accessory (Continued On Page 3)

## Mundt Wants FBI To Find Estes' Man Friday Among Ag Department Employees

WASHINGTON (AP)—Senate investigators have set the FBI to work on an Agriculture Department memo Sen. Karl E. Mundt says shows Billie Sol Estes "secretly had a Man Friday doing his bidding in the department."

The man exercised considerable authority and must be identified, said Mundt, a South Dakota Republican.

His statements came Thursday after Joseph A. Moss, head of the department's cotton division, told the Senate Investigations subcommittee about the memo. The subcommittee now wants the FBI to find out who issued it.

## PERMANENT VALIDATION

Moss said the memo urged permanent validation of Estes' cotton allotment deals, now under investigation by the subcommittee of which Mundt is the senior Republican member.

The recommendation to recognize as legal Estes' 1961 cotton allotment transfers and allow them to stand for 1962 got no

## SCHOOL BOARD OKAYS MERGER WITH HIGHLAND

The Gettysburg Area School Board Thursday night gave its approval for Highland Twp. school district to enter the merged unit now comprised of Gettysburg and Freedom Twp.

Action by the present merged board at its meeting in the local high school was only a preliminary step toward permitting the question of a merger to be brought once again before the Highland Twp. voters.

As a result of Thursday night's vote, the Highland Twp. School Board is now able to present a petition to the Adams County court Saturday asking that the court direct that the merger question be put on the Highland Twp. ballots for the election on November 6.

## WAS TURNED DOWN

If the court gives its approval to putting the question before the Highland voters and if the Highland voters approve the proposed entrance of Highland into the merged district then Highland will become part of the Gettysburg Area School district. In 1960 when the question of merging was first presented to Highland Twp., the voters there turned it down 136 to 83.

The area school board voted 7 to 2 in favor of permitting Highland to join the merged district. The two directors against permitting Highland to join were John R. Reeves Jr. and Norman L. Plank, both of Freedom Twp.

Discussion preceding the vote indicated that at least some of the directors who voted in favor of admitting Highland to the merger will probably individually have to pay more taxes if Highland comes into the merged district.

## REIMBURSEMENT GAIN

By merging Gettysburg and Freedom gained the full additional reimbursement given by the state to merged units in comparison to districts united in a jointure. So there will be no gain from that quarter for the two districts already in the merger. Highland, however, will gain in reimbursement by merging.

In addition, Gettysburg and Freedom will "lose" \$8,400 in per capita tax if Highland becomes part of the merged unit. Highland (Continued On Page 3)

## Doves Mourn Loss Of Baby

Mourning doves may not be very good architects, as everyone knows who has seen their roughly made nests, but they are devoted parents.

Thursday evening a pair of doves spent a frustrating period in a local driveway trying to boost a young nestling from the ground to the curb. Like sidewalk superintendents the worried birds walked round and round the fledgling, illustrating technique, surveying alternate possibilities with each failure, feeding the young bird and finally, with darkness, disappearing.

This morning the adult birds were back. But the young bird had either been injured in a fall from the nest or died from cold. The parents walked helplessly in endless circles around the dead bird for more than an hour, and then, as though grief-stricken, silently flew away.

## Sightless Vigil Ended By Death

AKRON, O. (AP) — Georgia Hathaway, a deaf and blind woman whose battle to rear her own baby aroused nationwide attention in 1955, is dead of a heart attack.

The 43-year-old woman died Thursday night at Akron General Hospital, where she was taken July 22.

Mrs. Hathaway had known for some time that her rheumatic heart condition was serious, but she had told friends she might live until her son, Clarence, grew up.

Clarence is only 7, but in many ways he already is grown up. For the last few years he has been the eyes and ears of his parents. He helped with household chores, answered the telephone and the doorbell at their home in nearby Stow and helped with the shopping.

His father, Harold, 60, also is deaf and blind.

Mrs. Hathaway was aided in her task by visiting nurses. The couple's main source of income has been welfare aid.

## BOARD DELAYS FINAL LIBRARY FUND ACTION

The board of the Adams County Public Library, meeting in special session Thursday night at the library on E. High St., heard details of proposed building plans and a fund campaign but postponed until final decision.

Roy Hammond, chairman of the Development Fund campaign of the library, introduced Charles W. Martin of Ketchum, Inc., Pittsburgh, who outlined his estimate of the amount that could be secured from a fund raising campaign in the county. He said he based his estimates on a survey made over the last few days.

Donald B. Hudson, chairman of the building committee, introduced John Gilbert of J. Alfred Hamme and Associates who presented more complete drawings of the plans for construction of a new stock room, a children's wing, a new bookmobile garage, receiving and shipping space and offices, and renovation to provide more reference and reading rooms.

## FUNDS AND BUILDINGS

The board discussed at some length two questions — how much money can be raised? and how much of what is needed can be constructed for that amount of money?

Since no decisions were reached Thursday night, members of the board and a number of community leaders are to meet, probably today, President H. Thomas Pyble said, to make a final determination of the plans to be carried out in connection with library enlargement and improvement.

Mrs. Mary Wilson, librarian, told the board that the problem of more space is becoming rapidly more acute. Under the new assistance program from state and federal funds the library staff was able to catalogue and place more than 800 new books last month, compared to a normal 200 books a month previously catalogued and placed in the library.

In addition her report showed a circulation of 5,510 books and periodicals through the main library alone last month, a gain of 20 per cent over last July.

Her report showed a large number of "memorials" — gifts of books to the library in the name of deceased persons. Those in whose memory two or more books were donated were Mrs. Charles H. Huber, Mrs. Edgar Markley and Dr. W. Frederick Shaffer.

## Allamong Rites Are Held Today

## TOURIST BOOM NEAR RECORD 1938 LEVELS

Gettysburg entertained the largest number of tourists during July than in any other month with the possible exception of 1938 when the 75th anniversary of the Battle of Gettysburg was observed.

Park Ranger John Rogers reported today that the estimated number of visitors during July totaled 404,738, including campers. The number compares to \$294,997 during July a year ago. The tourist influx brought to 1,171,672 the total visitation since January 1, an increase over the 1,039,549 during the same seven months of last year.

## CONFIRMS OPINION

The July report affirms the general opinion of townspeople who began seeing tourists in numbers on the town streets only during July and the latter part of June.

National Park figures confirm that "feeling" of the townspeople because, until the end of June, visitation was running behind last year. A larger visitation in June than in the same month a year ago put the total tally slightly ahead of the compilation for 1961 and July's 404,738 puts the total for the year more than 100,000 ahead of last year for the same seven months.

Rogers said he believes at least part of the increase is due to publicity given the new Visitor Center. During the month it has been open 79,166 persons were counted entering the front door of the structure. Since a large number enter from the rear door where no count is made and through two other doors at which no check is kept, Rogers said he believes the actual visitation at the Visitor Center last month was "above 100,000."

## YEARLY TOTALS

The visitation record for this year by months is as follows: January, 14,066; February, 30,350; March, 46,037; April 158,989; May, 237,191; June, 280,201; July, 404,738.

The comparable figures for the same months a year ago were: January 12,160; February, 17,765; March 81,824; April, 176,122; May, 225,713; June, 249,940; July, 294,997.

## Wagner Services Held This Morning

## Leftist Ben Bella Enters Algiers In Triumph Today To Take Over Government

ALGIERS (AP) — Deputy Premier Ahmed Ben Bella, victor of a major battle in his bid to rule a sweepingly leftist Algeria, is due to enter Algiers in triumph today to take over leadership of the government.

A compromise between the rival political factions Thursday gave Ben Bella, 45, a possibly dominant role in shaping the future of this infant country.

Under the truce, the Ben Bellas, seven-man political bureau will set the stage for general elections Aug. 27. Power then will be turned over to the National Council of the Algerian Revolution, the old revolutionary parliament.

## OPPOSITIONS AGREE

Two opponents of Ben Bella, Deputy Premiers Belkacem Krim and Mohammed Boudiaf, said they agreed to this solution to keep Algeria from collapsing into total anarchy.

Premier Ben Youssef Ben Khed-

da, moderate ex-pharmacist who led the exile regime in the last months of struggle for nationhood, remains as nominal head of the provisional government. The real power, however, will be in the hands of the political bureau.

The truce agreement dodged a basic issue—the future of the army and its general staff. The general staff, headed by Col. Houari Boumedienne, was accused of plotting dictatorship and fired by Ben Khedda on the eve of independence. It flouted the dismissal and rallied behind Ben Bella.

Officials said the problem of the 40,000-man army, equipped by Communist countries, will be faced after the elections.

Ben Bella, son of a farmer of Moroccan origin, has called for a drastic leftist revolution. He would break up the big French holdings but has told Europeans they would have a place in the new Moslem-ruled Algeria.

# 1,500 COLT FANS WILL NOT ATTEND GAME

BALTIMORE (AP) — You'd think a football fan club with more than 1,500 members would arrange to attend a game once in awhile.

But the entire membership of Colts Corral No. 954 will be absent when the Baltimore Colts stage their annual intrasquad game at Memorial Stadium Monday night.

The rabid fans would like to be there—make no mistake about that. But, as inmates of the Maryland Penitentiary, it's not their night out.

However, that hasn't stopped the inmates from supporting the Baltimore Police Boys' Clubs, which benefits from the preseason game. The club turned over \$214 in cash, donated by inmates who earn from 20 to 50 cents a day. They also purchased 217 tickets at \$1 each.

## SIDELINE VETERAN

At the Colts' camp in Westminster, Md., Coach Weeb Ewbank touched off some speculation when veteran defensive tackle Art Donovan was left off the starting lineup for Monday's game.

Ewbank insisted no inference was to be drawn but it was the second time this week that Donovan, now 37, was on the sidelines. Donovan has started every Colt game at defensive left tackle in his 10 years with the club.

In other NFL camp developments: Coach Tom Landry of the Dallas Cowboys named four rookies—offensive lineman Lorenzo Stanford, defensive end George Andrie and defensive backs John Chaisson and Mike Gaechter — as probable starters in Saturday night's "controlled scrimmage" with the Minnesota Vikings at Bemidji, Minn. The New York Giants cut to 47 players by putting offensive end Pete Hall on waivers. . . . Bob Waterfield named a starting backfield of Zeke Bratkowski, Jon Arnett, Ollie Matson and Dick Bass for the Los Angeles Rams for Saturday's practice game against the Eagle Rock Athletic Club.

And in the American Football League:

Defensive tackle Sid Youngelman, acquired from the New York Titans in a trade, took part in his first workout with the Buffalo Bills. . . . Coach Bulldog Turner of the Titans said he would start Jim Tiller, a 165-pound recruit from Toledo of the United League, at halfback against Houston's Oilers in Houston Saturday night.

# ART WALL IS FIELD LEADER

HARTFORD, Conn. (AP) — Three years ago, Art Wall Jr. was professional golfer's player-of-the-year.

He was the leading money winner and the Master's champion, among others. The 38-year-old Wall took the cash and the honors modestly.

But during the past two and a half years, Art has been plagued by kidney trouble, back and ear ailments, and knee and rib injuries.

## WINS 1 TOURNEY

Without any wailing by him, the fact is that since his tremendous year of 1959, Wall has won only one tournament, the Canadian Open in 1960.

His colleagues on the play-for-pay circuit call him the PGA's hard-luck golfer, a tag he brushes off with a smile and a denial.

And on his last two rounds — a 66 last Sunday in the Canadian Open and a 65 here Thursday in the opening round of the \$35,000 Insurance City Open — maybe Wall's luck has changed.

The six-under-par 65 over the Withersfield Country Club's 6,515-yard course paced a field of some 150. It was one stroke better than the 66s posted by Paul Hareney and Frank Boynton.

## Weather

Extended forecasts for Saturday, Aug. 4, through Wednesday, Aug. 8

Eastern New York and New Jersey — Temperatures are expected to average near normal. Warm Saturday, turning cooler on Sunday.

Warmer Monday and Tuesday and cooler Wednesday. Precipitation may total one-tenth of an inch or less, occurring as showers or as thundershowers late Saturday or Sunday and again about Tuesday.

Western Pennsylvania — Temperatures will average 2 to 5 degrees below normal. Cooler Sunday or Monday and little change remainder of period. Precipitation will average around ¼ inch in scattered showers Saturday and again Monday or Tuesday.

Middle Atlantic States — Temperatures will average near normal. Warm Saturday will be followed by cooler the first of next week and warmer Tuesday or Wednesday. Rain amounts will average between one tenth and six tenths of an inch occurring as showers Saturday and again Tuesday or Wednesday.

Miss Nancy A. Shaner, daughter of Mrs. Sally Shaner, Gettysburg, and Earl J. Miller, son of Mr. and Mrs. Charles Martin, Waynesboro, were married Saturday at 8 p.m. in the Presbyterian Church, Waynesboro, in a double-ring ceremony performed by the Rev. R. Butcher.

Given in marriage by her mother, the bride wore a street-length white dress of ruffled eyel with a bouquet of pink roses and pink accessories.

The couple left for a Florida honeymoon. Upon their return they will reside at 243 N. Washington St., until their new home is completed. Mrs. Martin is employed as a secretary at Letterkenny Ordnance Depot, Chambersboro. Her husband is employed by the Acme Market, Waynesboro.

# BOYLE'S Grab Bag

**By HAL BOYLE**  
NEW YORK (AP) — Once upon a time a family named Smith bought a house in the suburbs next door to a family named Jones.

Naturally since they moved in different circles and hadn't been properly introduced, they never spoke to one another.

Their houses to a passing eye would seem as alike as two bubbles in beer foam, but one day Mrs. Smith thought she detected a deeper green in her neighbor's grass.

**SHABBY LAWN**  
That night she told her husband: "Our lawn is positively shabby. You'll have to do something about it. After all, we have to keep up with the Joneses."

That weekend Mr. Smith could be seen tossing grass seed from a five-pound bag. The following weekend Mr. Jones was observed heaving grass seed from a 10-pound bag.

Soon Mrs. Smith decided the family next door had a shinier power lawnmower.

**CAN'T HOLD UP HEADS**  
"We can't hold our heads up in this neighborhood unless we keep up with the Joneses," she told her husband.

Mr. Smith bought her a two-seated lawnmower marked "His" and "Hers."

The following week the Joneses and their child were cutting their grass in a spanking new three-seated lawnmower marked "His," "Hers" and "Ours."

**PLAYGROUND SWING**  
A friend of Jones gave him a used playground swing which he put in his backyard.

Mrs. Smith noticed this at once and told her husband:

"Our child is underprivileged. We'll have to put a swimming pool in our backyard. We can't let the Joneses get ahead of us."

**BUILD POOL**  
Mr. Smith, who loved his wife and had normal pride, ordered the swimming pool built.

The first day he swam in it he saw workmen next door building a larger swimming pool there and putting an addition on the garage. Mrs. Jones had ordered an extra car.

Well, Mrs. Smith ordered another car, too, and decided her cozy home was too small and had another room built to make it look more impressive.

**MAID SERVICE**  
It was shortly after that when Mrs. Jones started having a maid come in twice a week. And it was shortly after that when Mrs. Smith found life wasn't worth living unless she could have a maid in every day.

The neighbors were never quite sure later whether it was Mrs. Jones or Mrs. Smith who hired the first butler ever seen in the community.

Neither was Mr. Smith. All he could remember was his wife's constant complaint, "After all, we have to keep up with the Joneses."

## CASE COLLAPSES

Well, the whole race for equality collapsed when Mr. Smith had to go into court and declare himself bankrupt. There he was astonished to see his neighbor, Jones, also filling out bankruptcy papers.

"What brought you here?" he inquired. And Jones, who was nearsighted and couldn't have told his neighbor from Adam, replied:

# SET DATE FOR SHOE TRIAL

Federal Judge Michael H. Sheridan, Scranton, Thursday, scheduled the suit of Hanover Shoe, Inc., against United Shoe Machinery Co., Inc., Boston, for September 17 in Federal Court at Scranton. Hanover Shoe seeks treble damages in excess of \$5,000,000 for alleged monopolistic practices of the defendant firm which are purported to be in violation of the United States anti-trust laws.

United Machinery is charged in papers in the action with controlling the shoe industry in this country through restrictions on certain machinery.

Judge Sheridan said the non-jury trial is likely to require between three and four weeks and involves dozens of witnesses.

The legal road for trial of the case was opened in November, 1960, when the United States Supreme Court notified counsel for both sides that the United Shoe petition for certiorari (permission to appeal) had been denied.

In July 1960, the Third Circuit Court of Appeals in Philadelphia had upheld the opinion of Circuit Judge Herbert F. Goodrich who had ruled that Hanover Shoe, Inc., had cause for action against United Shoe Machinery. United had then filed its move for dismissal which was rejected.

# WEAVER LAUDS JC CHAMP DAY

Mayor William G. Weaver today proclaimed next Thursday as Jaycee Junior Champ Day in Gettysburg.

He praised the Jaycee program, which has on many occasions received the endorsement of the President's Council on Youth Fitness, as being "one of the finest activities of its kind for youngsters in America."

Weaver said he expects to participate in the opening ceremonies next Thursday. He complimented the Junior Champ program for offering competitive athletic events for all youngsters between the ages of 8 and 15.

Winners of all events will receive an official Junior Champ certificate, signed by two-time Olympic pole-vaulting champion, Rev. Bob Richards, and local Jaycee president, Richard Guise. A large trophy will be awarded to the winning playground.

## Abbottstown

**MRS. DELLA BUTT ABBOTTSTOWN** — Gary Landis is spending the week at Camp Tuckahoe. His parents, Mr. and Mrs. Henry Landis, and family were visitors at the camp Wednesday night for the fireside services.

George Kroft, Ft. Campbell, Ky., is home to attend the funeral of his grandfather, Charles Crouse.

Mr. and Mrs. Wilford Mummet are spending their vacation at the seashore.

Miss Sally Hollinger is a guest at the home of her uncle, William Hollinger, Stroudsburg.

Rev. and Mrs. Lester Karschner are visiting her parents, Mr. and Mrs. Aaron Shimer, Hazleton. Philip Aumen is home after spending two weeks with the National Guard at Ft. Pickett, Va.

Miss Elsie Eisenhart returned home from Ebensburg, Pa., and Miss Marjorie James, Ebensburg, came with her and will be a guest at the Eisenhart home for a week.

Mr. and Mrs. Charles Slothour and Mr. and Mrs. John Lillich visited their daughter, Linda, at Hamburg.

Misses Glenda and Gail Alwine and Stevie Alwine spent several days at the Alwine cabin, Galeton.

# World Briefs

**MIAMI, Fla. (AP)** — Two weeks ago Jimmy Pullen addressed a chamber of commerce seminar on good business. His theme: his former life as a check forger.

Pullen, 32, said he had reformed, adding: "I dress neatly, behave like the boy next door, and I always look people straight in the eye."

Thursday, Pullen was sentenced to a year in prison after pleading guilty to passing 57 worthless checks totaling \$4,843.50.

**WASHINGTON (AP)** — The Census Bureau says 13.6 per cent of the nation's school children attend church schools or other private schools.

Total school enrollment from kindergarten through the 12th grade was 40.8 million in April 1960, the bureau reported Thursday.

It said the 1960 census showed

"We were getting along all right until some spendthrift smart alec moved in next door to us, and my wife decided we couldn't let them get ahead of us. That was our whole trouble—trying to keep up with the Smiths. How about you?" "If I told you," sighed Mr. Smith, "you wouldn't believe me."

Moral: When you try to ape the other fellow, you always make a monkey of yourself.

35.3 million, or 86.4 per cent, were attending public schools.

**ANN ARBOR, Mich. (AP)** — Need a couple of black bears or some foxes, raccoons or a dordized skunk?

Or how about some turtles—eight different kinds?

The University of Michigan Museum has three months to find homes for these animals, or have them destroyed, said Dr. Irving G. Reimann, director.

The animal cage and reptile pit at the rear of the museum building must go to make way for a new \$1 million building that will serve as a national center for research in animal biostatistics.

# FARM FREIGHT RATE IS CUT

The board of directors of the Adams County Farmers' Association met Thursday evening at the Adams Electric Cooperative building, rear of N. Stratton St.

President Horace Fry announced that the Interstate Commerce Commission has granted permission for freight rate reductions on hay and livestock feed shipments to Pennsylvania because of the drought.

He also announced that the Pennsylvania Farmers Association, with which the Adams County group is affiliated, asked the Pennsylvania Railroad concerning reductions on hay and feed shipments July 27 and on July 30 the Pennsylvania railroad announced that it was granting 25 per cent reduction from practically all origins east of Chicago into the area of the designated drought disaster counties in the state.

He also reported on plans for the first National Grasslands Field Days and Conference to be held at Hershey August 15 to 17. Thursday afternoon, August 16, at 3:30 o'clock Charles Shuman, president of the American Farm Bureau Federation, of which the Adams County farmers' group is a part, will be the conference speaker.

"We felt the marketing order was the best technique to meet the problem," he said.

The votes were counted Thursday afternoon by a five-man committee composed of Lott; Mengel; Allen S. Stauffer of Biglerville; Ralph M. Horst of Lebanon R. 3, and Harry A. Peters, state director of the U.S. Department of Agriculture's Stabilization and Conservation Service.

Stauffer and Horst were among the opponents to the order. Some 900 apple growers with more than 200 trees were eligible to vote.

# Golden Will Attend Sacred Music School

Donald E. Golden, son of Mr. and Mrs. Ralph Golden, York Springs, recently enrolled at the Union Theological Seminary, New York City, where he will begin studies for a master's degree in sacred music in September. He will study choral conducting and organ at the seminary's School of Sacred Music.

A 1953 graduate of York Springs High School, Golden attended Elizabethtown College and graduated from Gettysburg College in 1957 with an A.B. in music. After serving two years in the Army as a chaplain's assistant, during which time he directed two choirs and played for Sunday services, he taught piano, organ and clarinet privately for a year.

From 1960-62, he served as vocal music supervisor of the Bermudian Springs Joint School system. During the past year he was an instructor in organ and piano at Gettysburg College. Upon receiving his master's degree, he hopes to continue work on his doctorate specializing in the history of the German chorale. He was accompanied to New York by Daniel Vaughn.

## MOOSE CREATE 1ST ADVISORY ORGANIZATION

The Gettysburg Moose Lodge Thursday evening voted approval of an "advisory committee" to assist the board of officers in the operation of the lodge.

Governor Henry M. Herring told the members that approval had been given by the national organization.

He explained that the advisory group will "provide a committee which could carry out studies at the suggestion of the board of officers and give their advice on any problem submitted by the board, and thus, we believe, help develop an even better organization for its members."

### COMMITTEE NAMED

Herring named the following to the committee: Attorney Eugene R. Hartman, Guile W. Lefever, Paul B. Fox, Joel M. Hill, Carl A. Baum and Howard C. Kitzmiller.

One of the first duties to be given the committee will be to make recommendations concerning the number and type of buildings to be constructed at the farm purchased by the Moose lodge, and the general development of the farm area.

Secretary George Naugle reported that "work is progressing rapidly at the farm. The soil conservation district aided in planning a farm pond."

### 3 ARE INITIATED

The first degree of the lodge was exemplified by the degree team for three new members, Robert Shealer, John H. Walter and Joseph Timmerman. Each was presented with a gold lapel pin.

Three sponsors of new members, Leslie G. Sterner, Herring and Maurice W. Shindeldecker were presented, with a combination nail clip, file and knife for bringing new members into the lodge.

Herring appointed Past Governor John W. Sanders to fill the office of junior past governor made vacant by the resignation of Maurice W. Shindeldecker, who left that post to become a full-time paid employee of the lodge.

### ANNUAL CRAB FEED

Plans were made for the annual stag crab feed to be held for the members August 15, at the former CCC camp on W. Confederate Ave. The feed will begin at 5:30 o'clock.

The lodge voted its thanks to Francis "Bud" Knox, manager, Douglas Knox, assistant manager, and the members of the Moose Little League baseball team for winning the league championship this year. Plans were made for a supper to be held for the Little Leaguers August 23 at 6:30 p.m. at the Moose home, at which time Knox will present pictures

## COUNCIL HEARS MANY REPORTS

The monthly meeting of the Bendersville Borough Council was held Tuesday evening in the social room of the Bendersville Bank.

Recent repairs to the reservoir properties to correct leakage and sanitation problems were discussed at length. Members of the street committee were directed by President George Schriver to erect the newly purchased "No parking" signs to enforce the recently adopted parking ordinance affecting parking on the east end of Park St. and the south side of Carlisle St.

Council was informed that within the next few months the Metropolitan Edison Company will begin renovation operations to update the borough street lighting system by erecting additional lights and replacing the old lighting fixtures with more modern equipment.

The council voted to start ordination proceedings affecting a portion of the alley adjacent to the community hall park and the community fire hall. William E. Sees Jr., borough engineer, and Donald A. Smith, representing the Conewago Construction Company, Hanover, discussed with council the proposed improvements to be made on Apple Lane. Council voted unanimously to engage Howard Hutton, Bendersville, as borough plumber.

The next meeting will be held August 28 at 8 p.m.

and awards to members of the team.

Herring announced that Past Governor Shindeldecker and Secretary Naugle have qualified for the secretary's-governor's merit award for the year ending April 1. The award is given by the Supreme Lodge of Moose to outstanding governors and secretaries.

It was also announced that Naugle, Leslie G. Sterner and Shindeldecker have qualified for membership in the "50 club," marking the fact that each has secured 50 new members for the club. Each will receive a diamond lapel pin from the Supreme Lodge. At the same time it was announced that Ralph Johnson and Daniel Miller have qualified for the "25 club" open to those who have secured that many new members. They will receive pins and certificates from Mooseheart.

Governor Herring announced that the next meeting of the Eastern Division of the Pennsylvania Moose Association will be held Sunday afternoon at 2:30 at Hamburg. Members of the local lodge were urged to attend.

A buffet supper was served following the meeting.

## BULLETINS

LEWISTOWN, N. Y. (AP)—State police said today that a stock boy from a Lock Haven, Pa., variety store had admitted the holdup slaying of two store officials and expressed a wish to go back and face the consequences.

Dennis M. Vogel, 21, of Mill Hall R. D., Clinton County, Pa., was expected to waive extradition later today and return to Pennsylvania.

HARRISBURG (AP)—State Police Commissioner Frank G. McCartney is under fire in Commonwealth Court today, accused of "illegal and unconstitutional" action in enforcement of Pennsylvania's Sunday sales laws.

A complaint filed Thursday by Two Guys From Harrison-Allentown, Inc., a Lehigh County retail store, seeks damages "in excess of \$100,000" as well as injunctive relief from what it considers discriminating Sunday raids instituted by McCartney.

The court took no immediate action, but has the petition under study.

WASHINGTON (AP)—The government announced today that all supplies of thalidomide it has been able to locate in doctors' hands in this country have been destroyed or impounded.

However, officials have not been able yet to locate 158 of the 1,231 U.S. doctors who are reported to have received the drug for investigational purposes. These doctors are either on vacation or have moved and efforts are being made to locate them.

WASHINGTON (AP)—Rep. George A. Gooding, R-Pa., says cancellation of Veterans Administration consulting services in his district of Adams, Cumberland and York Counties is a "cynical move." Gooding said Wednesday the action was taken "offensively in the interest of economy by the most spendthrift administration in the American history, but which in the long run will cost the people it is meant to help more than it will save the taxpayer."

The discontinuance of the service in the Pennsylvania counties is part of the dropping of 161 VA part-time consultants throughout the country.

BUENOS AIRES, Argentina (AP)—Claiming victory in the 48-hour nationwide strike that ended at midnight, a Peronist labor leader today predicted more walkouts and an increase of violence in the days to come.

The three-million-member General Confederation of Labor, dominated by followers of Juan Peron, called the strike to press demands for Jose Maria Guido's military-backed regime to pay back wages, hike salaries, freeze prices and reverse a number of other austerity measures adopted to bolster Argentina's foundering economy.

HARRISBURG (AP)—President Judge William H. Neely of Dauphin County Common Pleas Court died today in Harrisburg Hospital.

The 66-year-old jurist had been under treatment for a heart ailment at the hospital since July 18.

Neely, a Republican, was serving his second 10-year term on the bench.

He was given an interim appointment to the bench in April, 1949 and twice won election for full terms.

### DIVORCE IS SOUGHT

Lorene M. (Wolfe) Walker, 32, Carlisle St., New Oxford, is seeking a divorce from William M. Walker, New Oxford R. 2, according to papers filed for her in the office of the prothonotary by Attorney Ronald J. Hagaman. Indignities are charged. The couple wed June 25, 1949, at Abbottstown.

## Today's Talk

### EXHILARATED LIVES

I frequently recall standing beside the ocean and watching the waves roll and break and tumble, glistening in the sunlight and then, soothing-like, spreading their life upon the shore.

I think of the action of some people's lives — always in movement, and giving forth the same sort of beautiful exhilaration.

For there are those who soothe us, make us feel the importance and greatness of life and who spur us on to better works and sincere endeavor.

It takes so little effort to brighten this world. The little, thoughtful things are what make people happiest. The bubbling personality, the vital energy that God plants inside a man's body, so mysteriously and so wondrously distributed. All this is what a man has to give. He doesn't earn it, he just has it. And the more he gives it out the more it is increased within him.

Exhilarated lives are those made rich through the giving out of all that is so divinely planted within.

Beautiful people are those who do beautiful things, and simply pass on without self-comment upon them.

I like to meet new friends because they always leave me with more than I had when I met them. Something like leaving a rare sunset that has enlarged the soul and gone to sleep into the night.

Tomorrow Mr. Adams will talk on the subject: "Snobbish Values" Protected, 1962, by The George Matthews Adams Service

## Just Folks

### PREJUDICE

I sometimes say to prejudice  
Why do you blind me so  
That charms on either side I miss  
Wherever I may go?

Why in a world so vast and wide  
Must you deny to me  
A glimpse upon the farther side  
Where truth perhaps may be?

Why must I bow to your command  
And sullenly declare  
That all I cannot understand  
Holds nothing right or fair?

Why must I scorn my brothers so  
And only evil find  
In others whom I do not know?  
Why must I be so blind?

Cannot you let the hoodwink fall  
And loose your guiding hand  
That I may see the good in all  
And try to understand?

Soblen jumped \$100,000 bail when he fled to Israel. The British government denied him political asylum after both the high court and the court of appeal ruled he was not legally admitted to Britain.

BUCHANAN, N.Y. (AP)—A nuclear reactor was put into operation Thursday night by Consolidated Edison Co., promising fission-generated electricity for millions of New Yorkers in about three weeks.

## SCHOOL BOARD

(Continued From Page 1)

Twp. supervisors collect \$5 of the \$15 head tax in Highland Twp. and as a result only \$10 is available to the school board from the head tax. Because taxes throughout a merged district must be equal, Gettysburg area would have to drop its per capita tax from the present \$12.50 to \$10. To secure the \$4,400 thus "lost" the merged area would have to increase either the real estate or the occupation tax rate.

Discussion indicated that the board probably would make up the money "lost" in per capita tax by increasing the occupation tax. Thus those with the higher occupation assessments — which includes a number of those directors who might raise the amount lost by the drop in the per capita tax. While the change would increase the occupation tax paid by the Gettysburg and Freedom Twp. residents even the increase would be a relief to Highland Township's 313 taxpayers who are now paying a 30 per cent tax on their occupation assessments.

### RESOLUTION ADOPTED

The resolution adopted by the area board stated that the board gave "its consent to the aforesaid merger without the assent of the electors of the existing merged area." Up until about a year ago when a merger was contemplated all of the voters in the affected area had to vote. The state legislature then changed the law to provide for a vote only in districts where approval for a merger had not been previously given by the voters. Where the voters had previously approved a merger, it is assumed they still favor the merged system plan.

The board gave approval to exonerations asked by the Gettysburg and Freedom tax collectors. The exemptions in Gettysburg totaled \$2,721.52. The names and reasons read by Board Secretary Orville Orner disclosed that more than 75 per cent of the taxes "exonerated" represented amounts that had been levied on persons who have since moved from the district, died, had paid their taxes elsewhere, or appeared on the tax rolls twice. A number of those listed for exoneration were young married women who had been listed for taxes but who were not eligible because they have not yet reached 21.

### REAL ESTATE TAX

A total of \$1,166.57 in real estate taxation was exonerated for Tax Collector Herbert Weikert. The amount represented generally duplicate taxation, amounts uncollectible because the county commissioners at appeals reduced the assessment on the properties and, in four instances where the tax was uncollected by reason of the owners not paying the taxes, liens were placed.

In Freedom Twp., the tax collector was exonerated from \$236.25 per capita tax and \$336 real estate tax. There the new road removal of property caused real state exonerations in some instances. In connection with the per capita tax exonerations the usual "dead," "moved," "old and ill" reasons were given for most of the exonerations. In a few instances it was explained that the persons who had not paid reside in Freedom but work in Maryland and Maryland does not permit wage assessments to collect the taxes.

Director Dr. Jacob Heikinen urged that the board consider affiliation with the National School Boards Association, as well as the state organization in order to secure the publications of the national organization based on various research projects now being carried out by it under a special foundation fund. He also urged establishment of an advisory citizens committee for the school boards or, in lieu of such an organization, suggested that service clubs, etc., be encouraged to take up study projects on education which would permit use of their findings by the board in its consideration.

The financial report presented by the First National Bank showed income of \$101,817.85 and expenditures of \$84,744.56 during June.

## WILL RESUME "CAMPFIRES" SUNDAY NIGHT

The 21st annual "campfire" series of the National Park service will begin Sunday evening on E. Cemetery Hill.

Superintendent James B. Myers announced today that programs on four parks will be presented on the four Sunday nights in August with a different member of the park staff as the speaker for each of the programs.

Sunday night a film "This Is Dinosaur" depicting the dinosaur area of the National Park system will be shown starting at 8:45 o'clock. Park Ranger Stanley Canter, a geologist, who has visited the dinosaur area, will introduce the film.

### OTHER PROGRAMS

Sunday night, August 12, at 8:45 o'clock Park Historian Milton Thompson, who was transferred here two weeks ago after a number of years of service at Chalmette National Historical Park, will give an illustrated talk on Chalmette.

August 19 at 8:30 o'clock, the film "Yosemite High Sierra Trails" will be shown. Park Ranger Paul Lindemuth, who returned this summer from training at Yosemite, will give the introduction.

August 26, at 8:30 p.m. Ranger Historian Billy Lyon, who served in a similar capacity at Harpers Ferry before being transferred here, will give an illustrated talk on Harpers Ferry National Monument.

Dr. Harry Pfanz, supervising park historian, will be in general charge of the "campfires," and Supervising Park Ranger John Rogers will be in charge of arrangements.

### STOCK AVERAGE UP

NEW YORK (AP)—Selected issues produced some pretty good gains in an otherwise mixed stock market early this afternoon. The average was up slightly. Trading was moderate.

Thanks to scattered gains by blue chips, the Associated Press average of 60 stocks at noon was up .40 at 219.10 with industrials up .50, rails unchanged, and utilities up .39.

Gains and losses of most key stocks were fractional.

### LANCASTER LIVESTOCK

LANCASTER (AP)—(USDA)—Weekly review: Cattle 3,150; choice grade slaughter steers 27.00-28.50; cutter and utility cows 16.00-17.50; utility and commercial bulls 20.00-22.00; good and choice feeder steers 24.00-27.25. Calves 675; good and choice vealers 23.00-32.00; choice and prime 32.00-35.00. Hogs 1,125; barrows and gilts 20.50-21.00; sows 12.00-14.00; Sheep 425; choice grade spring lambs 21.00-23.50; good grade 18.00-21.00; utility 14.00-18.00.

### COPS POLICE COW

Borough police were summoned Thursday afternoon at 5:20 o'clock when residents saw a cow walking on E. Middle St. The officers turned the animal into a field of the Culp farm nearby.

## Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

**FIFTEEN YEARS AGO**

President's Mother Dies: Mrs. Martha E. Truman, 94-year-old mother of the President of the United States, died early Saturday afternoon at her home in Grandview, Mo. She was buried with private services.

**Named "Miss Adams County":** Miss Janice Sachs, daughter of Mr. and Mrs. Luther I. Sachs, 34 Locust St., was chosen Miss Adams County in a Miss America contest held at York under sponsorship of the York AMVETS post. Miss Doris Jean Kitzmiller, daughter of Mrs. Mary E. Kitzmiller, 101 Chambersburg St., was second in the contest. Miss Sachs will compete next month at Harrisburg for the title of Miss Pennsylvania. The winner of the Miss Pennsylvania honor will go to Atlantic City in September to compete for the title of Miss America.

**Polio Strikes Young Mother:** Mrs. Charles E. Wolf, Granite, was quarantined Sunday by William I. Shields, Adams County sanitary officer, after contracting polio. She is the mother of two children. Mrs. Wolf, who became ill Saturday, was reported in a satisfactory condition by her attending physician. No definite paralysis has developed as yet. The case was the second of that type to be reported in the county this summer. There have been two cases of spinal meningitis.

**Abraham Lincoln Letters:** Gettysburg is the subject of several items listed among the Lincoln papers opened Saturday in the Library of Congress. Four letters of correspondence between President Lincoln and the Honorable David Wills of Gettysburg were reported to be among the collection. Probably many other items relating to the Civil War and directly or indirectly to Gettysburg are among the papers. John D. Lippy Jr., of the Lincoln Room in Gettysburg and Dr. J. Walter Coleman, superintendent of Gettysburg National Military Park, were present at the opening and also at the round table discussion in the studios of the National Broadcasting Co. David Wills, radio commentator and namesake of Lincoln's host at Gettysburg, did the interviewing.

**Raze Building Front:** Workmen engaged in rebuilding the Albert J. Lentz American Legion post home on Baltimore Street have erected scaffolding about the front of the building and the north side of the structure, preparatory to tearing down the front of the structure.

**Railroader Killed By Freight:** Edward I. Reese, 28, of 162 Second St., McSherrystown, a flagman employed by the Western Maryland Railroad, was killed

early this morning when he was struck by a freight train at Berlin Junction. Reese, member of a crew of three which had taken a locomotive from Hanover to the Junction to wait for a regular freight train and act as "pusher," was found beside the tracks after the freight had passed. There were no witnesses to the tragedy but Coroner Sell said it was believed Reese might have dozed or fallen asleep and did not hear the approach of the other train. His body was found about four feet from the rails. He is survived by his mother, Mrs. Annie Myers, with whom he made his home, three brothers and two sisters.

**Transferred Here:** Charles H. Huber Jr., Carlisle Street, has been transferred from Johnstown to Gettysburg and will be in charge of the explosives department of the eastern territory of the Du Pont Company.

**Local Company Buys And Dries Wheat:** Adams County's newest farm aid, a wheat dryer, was in operation at the Central Chemical Company, Lincolnway East, after workmen had completed installation of the 30 feet high mechanism. The dryer, almost a year under construction, went into operation this week to help remove the moisture from the wheat sold to the local company and as a result the plant is one of the few establishments in the county purchasing wheat at the present time. The Central Chemical Company dries its wheat and takes it direct to the miller and as a result has not been inconvenienced by the inability of Baltimore elevators to handle the grain.

**Arendtsville:** A group of men are working in the school building. New floors are being laid, several new rooms are being made and the cafeteria is being moved from the first floor to the basement. A dining room is being built where the locker rooms formerly were. The playground will be enlarged and graded.

**Leases Gulf Service Station:** Jacob G. "Juke" Appler has leased the Gulf Service Station, Carlisle Street. Mr. Appler, who resigned his position with the Pennsylvania Greyhound Co., had been a driver for ten years. In July, 1942, he enlisted in the Navy and served three years. He spent twenty-seven months in various parts of the Pacific where he was in charge of trucking and construction equipment for a battalion of Seabees.

**Name Welfare Secretary:** Miss Christine Cunningham, Uniontown, was elected as secretary for the Adams County Child Welfare Services by the commission-

ers on recommendation of the county child welfare advisory council. Miss Cunningham has been associated with the Red Cross the past five years. She will arrive August 11 to fill the vacancy caused by the resignation of Mrs. Nevin H. Grieb a year ago.

## DODGERS BEAT BUCS AGAIN ON HOWARD BLOW

By MIKE RATHET  
Associated Press Sports Writer  
Frank Howard!  
Again!

That's been almost the entire story for the Los Angeles Dodgers recently and, although the script underwent minor changes Thursday night, the result was the same as Howard struck the key blow for a 5-3 victory over Pittsburgh.

Howard slammed three homers and drove in 12 runs while the Dodgers swept a three-game series from second-place San Francisco last weekend.

Against the Pirates Thursday night, Howard used a two-run single to win it for the Dodgers. The seventh inning hit off relief ace Elroy Face snapped a 3-3 tie.

The triumph maintained the Dodgers' four-game lead over the second-place Giants, who edged the Chicago Cubs 4-3 to end a four-game losing streak.

**CARDS BEAT REDS**  
Cincinnati got the cooling off treatment from St. Louis as Ernie Broglio pitched a four-hitter to beat the defending champion Reds 5-1. Dick Farrell's five-hit shutout gave Houston a 3-0 triumph over Milwaukee and Philadelphia outslugged the New York Mets 9-4.

Two home runs by Pirate catcher Smokey Burgess built a 3-0 lead for Vern Law, but the Dodgers closed within a run on Tommy Davis' two-run homer in the sixth. In the seventh, Face replaced Joe Gibbon (2-2) on the mound and made a wild throw on Jim Gilliam's bunt, allowing one run to score. He then walked Willie Davis, got Tommy Davis on a double play and walked Ron Fairly before Howard connected. Johnny Poirer (8-7) won it with Larry Sherry's relief help.

**CONSECUTIVE HOMERS**  
Veteran left-hander Billy Pierce (9-3) needed Don Larsen's one-out relief help in the ninth to subdue the Cubs after Billy Williams and Andre Rodgers hit consecutive homers. Dick Ellsworth (6-15) lost it.

Broglio (8-4) had the Reds blanked on three singles by Don Blasingame until the ninth when Jerry Lynch doubled and came home on a wild pitch. The Cards made the most of an ineffective evening by Bob Purkey (16-4).

The Colts jumped on Braves' starter Lew Burdette (8-7) for their three runs in the first inning. That finished Burdette. Tony Cloninger, Don Nottbart and Carl Willey held Houston to three hits the rest of the way. But the Braves were unable to touch Farrell (8-13), who allowed only one man to reach second base.

Art Mahaffey (15-9) hit a grand slam homer to support his five-hit pitching. The Phils tagged Craig Anderson (3-12) with the loss.

# THE WORKSHOP

A Regular Weekly Feature Appearing Fridays—Watch For It!

## Safety-Check Can Prevent Accidents

The average home is thought to be a "safe" place, yet recent studies by the National Safety Council show that some 5,500 people die annually from home fires and burns, while approximately four million more are injured in the home.

Doesn't this suggest the wisdom of making a "safety survey" of your home? Here is a check-list of important safety features to look into:

1. Bathroom safety locks. These allow the door to be opened from the outside if a child has locked itself in or if adults have suddenly been stricken with dizzy or fainting spells.

2. Electric centers which eliminate blown fuses and minimize fire hazards, by automatically cutting off a circuit's power and pinpointing the danger area, whenever a defective appliance is plugged in.

3. Grounded outlets to eliminate electric shock. New appliances, using a three-pronged plug, require such outlets, usually not found in older homes.

4. Hand-rails on all stairs, to help curb deadly falls.

5. Light switches both at the head and bottom of stairs, so that staircases can be well-lighted ahead of you.

6. Well-constructed masonry chimneys with vitrified tile linings to prevent erosion by fumes and to prevent bricks from falling down and blocking chimneys off.

7. Lighted medicine cabinets, so that danger warnings on labels can be read easily.

8. Floors that wipe up easily, like vinyl or asbestos tile, to keep floors clear of spilled grease and soapy water, responsible for thou-

## Lightning Damage To Property Can Be Prevented

Lightning causes over \$125,000,000 annual property fire loss and damage in the U.S., according to the Lightning Protection Institute.

Yet, lightning loss to property can be prevented. With correct materials, properly designed and installed, a lightning protection system rarely, if ever, has failed to carry out its protective function.

A lightning protection installation is not a do-it-yourself job. This is a job for the expert who produces or uses Underwriters' labeled materials and supervisors or installers according to the code requirements of Underwriters' Laboratories, Inc., for lightning protection.

In order to be entirely safe, metallic bodies on structures require interconnection with the system or separate grounds for such items as vent pipes, television antennas, etc.

### LOOSEN TIGHT DOORS

Doors that bind on the hinge side or stick at one corner can usually be remedied by loosening the hinge and sliding a piece of cardboard behind the plate before tightening it again.

### SAFETY DRILLING

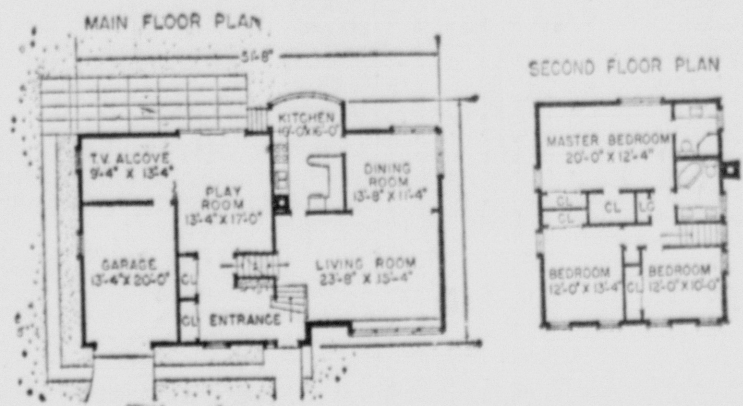

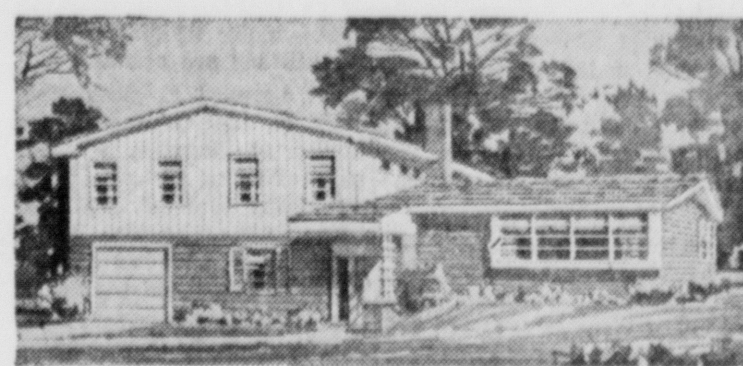

Grasp a small piece to be drilled on a drill press with a large clamp. Use a second clamp to hold the entire assembly in place on drill press table.

sands of broken limbs each year.

9. Storage room. To prevent clutter. Large utility rooms and broom closets, so that mops and pails are not left on stairs. Stairway clutter, including littered toys, are responsible for countless deaths annually.

10. Lights in all bedroom closets. An often-neglected safety feature, these lights prevent groping in the dark, often while being balanced precariously on a chair.

## Feature Home Of The Week

### DESIGN H-5292

In this handsome split level plan, the emphasis is on extra living area. There is a smart lower level entrance from which a stairway goes up to the front living room. Here the fine proportions are highlighted by the unusual window bay, and the dining room which is seen through a wide opening at the back of the room.

The kitchen has a good working layout that includes an island counter for snacks, and at the back there is a windowed bay for informal meals.

Each of the three bedrooms has two exposures and there are two baths plus marvelous closets, all reached by the easy half flight of steps from the living level. On the entry level there is a playroom with a window wall that opens out to the rear terrace, and a large TV alcove room. Living and bedroom levels cover 1,450 sq. ft.

For further information about DESIGN H-5292, write Illustrated Publications, Inc., 117 West 48th St., New York 36, N. Y.

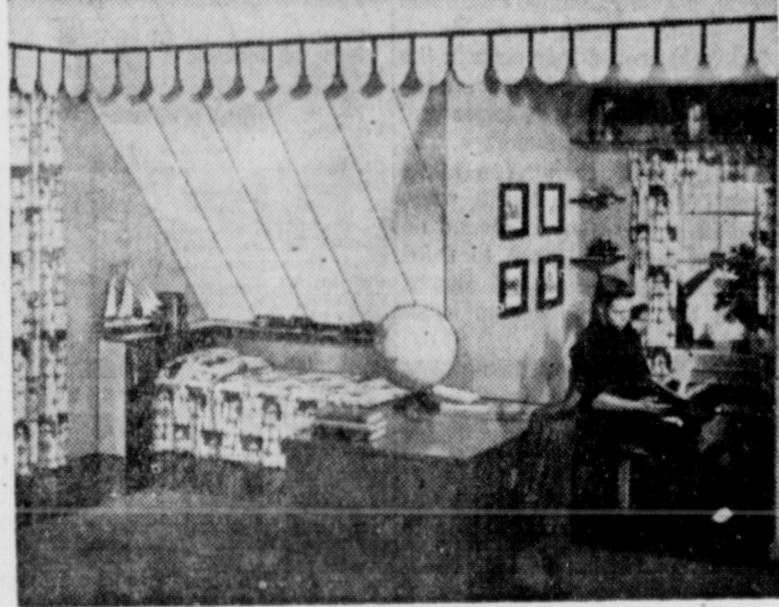

## Many Gear Grounds For Play

Gone are the days when the homeowner spent hours beautifying and grooming his grounds, only to sit down and view his handiwork from the picture window or back stoop! American "back yards" are being put to work (sacrificing none of their beauty) to extend the living and playing space for the family.

With a little planning and small investment, your own back yard can become a pleasant, convenient picnic and game area.

A patio of flagstone, concrete, tile or parquet wood can extend the graciousness and serviceability of your living room.

An adjoining barbecue or portable grill can produce many delicious outdoor meals and snacks. With the addition of screening, roofing and interesting new lighting, the patio provides even more

living and playing opportunities.

### COURT FOR GAMES

With border and corner plantings of evergreens and large shrubs to provide privacy, the main area of the yard can become a grassy court for many enjoyable games and sports... many using

the same area.

For instance: Croquet (which is making a real comeback), badminton (for those who like more strenuous play), quoits (an ancient and popular game), archery (perfect for all ages) and volley ball can all be enjoyed on the same play area with very little special preparation for each game.

An official shuffleboard court can easily be painted on a concrete or asphalt driveway, a basketball hoop can be attached to a garage wall at roof level, and that useless strip along the driveway could be the horseshoe court.

A few tomato cans sunken into a section of the lawn can provide golfers with a dandy practice putting green... or just one can serve as the target for "clock golf."

Another game that is gaining many followers is tether ball, which requires only an 18-foot square area, uses a minimum of equipment. It can be played by one, just for good exercise, or by two as a game of points.

### GET IN THE SWIM

Gone, too, are the days when a swimming pool was just a pleas-

## Handy Hints for Homeowners

### CLOSE-QUARTER TIP

When a regular saw frame will not fit into a work area requiring a hacksaw cut, split a heavy dowel in half lengthwise. Insert blade and wrap dowel and sandwiched blade with friction tape, to provide a workable temporary handle.

### PREVENT SPLITTING

To keep the far edge of a board from splitting off while you're planning across the end grain, clamp board in a vise with a piece of scrap tight against it. Any splitting will occur on the scrap.

### USE FOR CLAY

Two lumps of modeling clay make a wonderful holder when soldering or gluing two small awkwardly shaped pieces. Just push each part into its lump of clay, then line up in the desired position.

### NEAT TRICK

Suspend small objects to be painted by a string from an overhead support. This provides out-of-the-way drying space while allowing rotating while painting all sides.

### SAWING "SANDWICH"

Clamp a thin sheet of plastic to be sawed between two pieces of scrap plywood to prevent chattering, chipping or tearing.

### KEEP ANTS OUT

Using a residual spray of roach and ant killer every month around cracks and crevices near doorsteps will discourage ant invasion.

### WRIST SAVER

A rubber band, crisscrossed as it's wrapped around the cap of a stubborn screw-top bottle or can, provides enough tension and grip to make removal easy.

### USEFUL SCRAP

Tapered wooden shingles make handy shims, table leg eveners, can be wedged into large cracks to be filled with caiking, etc.

### HAND PROTECTOR

Messy jobs can be made less so by using small plastic vegetable bags as emergency workgloves. They are water and greaseproof, and do not interfere with the sense of touch.

### INLAID EFFECT

To simulate an inlaid design on natural wood to be stained, outline desired pattern with sharp knife. Coat inside of lines with thin shellac, allow to dry. Stain entire piece as usual, and when stain is wiped off, the shellacked design remains light.

### INSULATION TIP

Well sharpened hedge shears make a perfect tool for cutting small pieces of insulation batts, cutting neatly in a single pass.

### SPACE SAVER

The new small square bathtubs can be installed in a shower-space, providing full bathroom facilities.

### CORNER PLANTINGS

Angular, uneven property lines can be smoothed and softened with massive plantings of evergreen and deciduous shrubs.

## Choosing Right Wallpaper Basic To Good Decoration

Picking the right kind of wallpaper can be pretty much like picking your new spring hat. You can have fun, or you can spend several exhausting and inconclusive hours trying to make up your mind. So pick your paper carefully, reminds the Wallpaper Council, and you'll live happily with it ever after.

It is best to have some idea of what you are after before you get into the store. The wallpaper people in your local store will be happy to help you solve your decorating problems, but they can't make up your mind for you. So be prepared to give them some idea of the type of furniture you have, the color combinations of your accessories, and a general idea of what you want.

With the correct wallpaper, there is no doubt but that you can easily alter and improve any room in the house.

Rooms in compact, modern ranch homes can be made to appear more spacious while larger amblering rooms can take on that comfortable, intimate look, with the right wallpaper with the proper texture, pattern and tone.

Many wallpaper stores will let you have a strip of wallpaper, so that you can tape it up on your wall and let your family live with it a while.

The new living-dining room areas provide lots of family use, so that walls must be subdued, yet provide an everpleasing background. Textured wallpapers are usually the answer here. They come in a variety of effects and colors, and will soften and enhance the plain surfaces of modern furnishings.

A room badly cut up with too many windows or doors calls for ingenious handling. If the problem room happens to be your dining room, paper one or even two walls with an interesting bold pattern. Then use plain colored and textured papers on the cut-up surfaces, with woodwork and doors painted to match. There are plenty of such matching papers now available.

A dark room, removed from natural sunlight, should be papered in soft yellows or off-white tones to introduce light and spaciousness.

Dormer windows often present another difficult problem. A small scaled all-over pattern on the ceiling and walls or the dormer, and matching plain papers on the other walls, will give a most pleasant and decorative effect. Sloping walls will easily blend into the ceiling, if you just use the same small-textured design or both ceilings and dormer.

If you plan to do the job yourself, select your papers, keeping this fact in mind. There are many pretrimmed and preprepared papers on the market which will ease your job considerably. If papers are untrimmed, your dealer can mostly likely trim them for you free.

**Fiberglass Paneling Is Versatile**

A versatile building material that can be used in any room or area and for a variety of remodeling or improvement projects is reinforced fiberglass paneling.

Light in weight and easily handled and installed by do-it-yourselfer or professional contractor, this paneling lends itself to creative use.

Among its numerous interior applications are room dividers, ant "dream." In many parts of the country pools are included as standard equipment in the purchase price of medium-priced homes.

In the case of established homes, local banks will finance the construction of pools where building codes permit.

Where there are "handymen" in the family or among the neighbors, much of the actual work can be done without professional assistance.

Today's back yard can be a playground, a place to have fun. It is becoming kind of a last frontier in the maze of built-up living and, being a frontier, it presents a challenge to the imagination of the homeowner.

**FASTER GAME**  
**MAY BE AHEAD**  
**FOR GOLFERS**

By DON WEISS  
Associated Press Sports Writer  
NEW YORK (AP)—Arnold Pal-  
mer thinks there's no way for  
golf to go except up but he feels  
the climb would be faster if play  
weren't so slow.

"There's no question that pro-  
fessionals set the tempo for the  
way golf is played," the Masters  
and British Open champion said  
Thursday night during a brief  
stopover in New York.

"More people are watching us  
all the time — the galleries are  
bigger each year and through  
television everyone can watch the  
major tournaments and some of  
the others. And after they see us,  
they go back to their clubs or  
their courses and a lot of them  
try to copy our styles and man-  
nerisms."

"Somehow, many have the idea  
that you must be slow and deli-  
berate about the game. They  
think five hours is the right time  
to take playing 18 holes. Yet, I'll  
bet if somebody played a winning  
round in three hours in a tourna-  
ment, you'd find the average  
golfer soon would be playing a  
lot faster while scoring just as  
well if not better."

Ask Arnold if he believes the  
pros should play faster and he'll  
reply, diplomatically, that he "pre-  
fers a faster pace but some others  
don't."

BOGOTA, Colombia (AP)—An  
18-year-old former New York girl  
has recruited a group of her  
friends in the United States to  
work here this summer in what  
she calls a "Catholic kibbutz."

A kibbutz is a communal farm  
in Israel, and Cathy Drexler's de-  
scription of Father Rafael Garcia

The average citizen will become  
intensely loyal if it means a 50  
per cent increase in income.

Herreros' "God's Minute" commu-  
nity of 230 families isn't far wide  
of the mark.

The 10 boys and girls from the  
United States, together with Cathy  
and four other daughters of U.S.  
officials here, are living in the  
community to help the Colombian  
Catholic priest raise the standard  
of living of families who have  
known only squalid poverty.

**DESIGNED FOR POOR**  
Father Garcia Herrero's com-  
munity, founded four years ago,  
is a radical innovation designed to  
give poor families a chance in  
life through good housing, higher-  
than-average wages at the com-  
munity workshops, self discipline  
and sober industry.

"I want to prove that the social  
problems of our time can be  
solved through Christianity," said  
the priest.

The community, about five  
miles from downtown Bogota, is  
nonsectarian.

Schooling is compulsory for  
children up to the ninth grade.

**250 HOMES**  
The community, including work-  
shops, schools, a Catholic church  
(where attendance is optional), a  
movie, community hall and coop-  
erative stores, covers about 30  
acres. There are 250 homes on the  
land and the priest expects to  
build another 450. He has his own  
architect and builder.

Money for the project come  
from private sources and Colum-  
bian government loans. Father  
Garcia Herreros is negotiating a  
loan from the U.S. Agency for In-  
ternational Development.

"I was impressed by the idea  
behind the project," said Miss  
Drexler, who is Jewish. "It  
seemed to me it was the only real  
sincere effort I found to help the  
poor of Colombia."

**HARRISBURG (AP)—**A Pitts-  
burgh construction firm was hired  
by the General State Authority  
Thursday to build a new million-  
allon, water storage tank at  
Pennsylvania State University.  
The Chicago Bridge and Iron Co.  
will do the job for an estimated  
\$9,500.

**THE LORD'S**  
**WORK**

THE CHURCH FOR ALL...  
ALL FOR THE CHURCH

The Church is the greatest factor on  
earth for the building of character and  
good citizenship. It is a storehouse of  
spiritual values. Without a strong  
Church, neither democracy nor civiliza-  
tion can survive. There are four  
sound reasons why every person should  
attend services regularly and support  
the Church. They are: (1) For his  
own sake. (2) For his children's sake.  
(3) For the sake of his community  
and nation. (4) For the sake of the  
Church itself, which needs his moral  
and material support. Plan to go to  
church regularly and read your Bible  
daily.

The dignity of willing labor is one of the principles which Christianity  
has established among us. It is a natural by-product of a faith whose founder  
was the Carpenter of Nazareth, whose first adherents were fishermen of  
Galilee.

Those who are eager to serve God and their fellow men find rich oppor-  
tunities in the life of the Church. There are tasks for a man's hands, for  
his voice, for his pen, for his mind. There are needs that our offerings can-  
not supply . . . challenges that call for the talents and time of earnest men  
and women.

That friendly church which inspires us on Sunday is busy with the  
Lord's work all week. That man in the next pew is finding new happiness  
in willing Christian service. Are you?

## STAR CLIMBS TO TOP FROM BURIAL LOTS

By BOB THOMAS  
HOLLYWOOD (AP)—Kay Stevens was always really trying, but she never learned how to succeed in business until she turned to show business.

She is succeeding now. A wild, wild comedienne who can also sing, she is a big new draw on the night club circuit. She is now making her mark in movies. She registers strongly in "The Interns" and now is appearing with Danny Kaye in "The Man from the Diner's Club."

Kay's previous excursions into business were marked by varying degrees of failure. She started out as a cemetery plot salesgirl, and there she was too successful.

### TOO SUCCESSFUL

"Oh, I was making \$200 to \$300 a week selling door-to-door when I was 19," recalled the Cleveland girl. "I had a regular routine that was irresistible. Trouble is, I was too successful that I sold out the entire cemetery. The owner offered to open another one for me, but I decided I'd had it with selling plots."

Next came a turn with a nut-bolts-and-screws firm. Kay was file clerk but with her own particular system.

"I have a photogenic memory, you see," she explained. "I knew where everything was, but nobody else did."

She moved on to a commercial soap company, but confinement to the shipping room bugged her.

Kay also tried modeling. She did well until the day she went out to get some cashews during a snowstorm just before a big fashion show and tumbled into the dirty snow.

### ACT SUCCEEDED

Thereafter Kay married a musician and tried three years as a housewife — "but the bills were coming in and the money wasn't."

She booked herself, husband and others into a Buffalo night spot with an act she didn't have, hastily learned eight numbers. The act succeeded. When Kay discovered she couldn't sing eight hours nightly, she started talking between numbers, discovered she was a comedienne.

She found success but lost the household contents, antiques, etc.

ROCHESTER, Minn. (AP) — Bonus baby Lew Krause Jr., of Chester, Pa., expects to be released from Mayo Clinic Saturday after undergoing surgery on his right elbow last week. His pitching arm should be better than ever with rest, doctors say.

Krause will remain in Rochester about another week for therapy.

Do you carry several keys on a chain? Mark them with several different colors of nail polish for easy recognition.

Charles O. Finley, owner of the Athletics who was a patient himself in the Mayo Clinic last week, said Krause would do no more pitching this year.

He said he had a "rough elbow" — jagged bone, instead of smooth. Tendons became irritated and a muscle finally was torn. Surgery was performed to smooth the bone.

The undersigned, executors of the last will and testament of Ada M. Leister, late of Cumberland Township, Adams County, Pennsylvania, will offer at public sale on the premises, the late home of the decedent, situate at the intersection of the Gettysburg-Baltimore State Highway, U. S. Route 140, with the U. S. Avenue on Gettysburg Battlefield leading to Culp's Hill and known as Slocum Avenue; also a residence situate along Route 140 just south of the home place; the sale to be held at 5:30 o'clock Thursday evening, August 23, 1962.

The late home property, Tract No. 1, extends for a distance of 204.8 feet along the State Highway and 215.4 feet along Slocum Avenue. It is improved with a two-story stone and frame house, the stone house portion being an old pre-Civil War home. This property joins the Cemetery Hill section of the Battlefield, is one of very few remaining sites in the historical development area and has outstanding possibilities for museum, motel or other commercial purposes.

Tract No. 2 includes a two-story, six-room and bath frame house with all conveniences including a gas furnace and is in good condition. The lot has a frontage of 99 feet on the State Highway, is 200 feet or more in depth and is 178 feet wide in the rear.

At the same time and place the executors will offer for sale the household goods of the decedent including the bed room occupied by General Meade in Leister House, preserved as Meade's Headquarters, and a corner cupboard and a cradle which also were in Meade's Headquarters during the battle. A shell struck a drawer of the cupboard during the battle and a portion of the knob was knocked off. They were owned by Lydia Study Leister, great-grandmother of the undersigned executors, the then owner of Leister House, and have been preserved in the family ever since the Battle of Gettysburg. Other items of furniture to be sold include bedroom, dining room and kitchen furnishings and equipment, beds, bedding, chests of drawers, complete dining room set, tables, rugs, lamps, refrigerator and other items of electrical equipment for the kitchen, old dishes, cooking utensils and many other articles too numerous to mention.

The purchaser of each tract of real estate will pay 15% of the purchase price in cash at the time of sale and the balance on or before September 24, 1962. All personal property will be sold for cash. Other terms and conditions will be made known at the time of sale.

## FIGURES SHOW SUMMER SLUMP IN BUSINESS

WASHINGTON (AP) — New figures showing a summer slump in business sales and construction activity were announced today by the Commerce Department.

One report revealed a billion-dollar decline in sales of manufacturers' wholesalers and retailers between May and June. Sales in June totalled \$67.4 billion.

A second report gave a preliminary estimate that the annual rate of construction activity declined from \$62.5 billion in June to \$61.7 billion in July. There was a slight increase in private building but this was more than offset by a drop in public projects.

The June sales slump embraced all categories of business with retail trade off nearly 2 per cent. After adjustment for normal seasonal fluctuations, deliveries by retailers were down \$300 million from May to \$20.2 billion.

Sales of manufacturers declined by \$500 to \$34.1 billion and deliveries by wholesalers were down \$200 million to \$13.2 billion.

Manufacturing and trade inventories increased by \$300 million between May and June. The total at the end of June was \$97.7 billion. Manufacturers, wholesalers and retailers recorded increases of \$100 million each.

The construction report showed that the annual rate of private building increased by \$66 million in July to \$44.7 billion. However, the rate of public construction declined by \$88.5 million to \$16.9 billion. The figures are rounded and the over-all July rate was figured at \$61.7 billion.

Signed by the Kansas City Athletics for \$125,000 right out of high school last year, Krause pitched a shutout in his first Major League game. He was sent to Binghamton of the Class A Eastern League for more experience this year and his arm ailed him quite frequently.

He said he had a "rough elbow" — jagged bone, instead of smooth. Tendons became irritated and a muscle finally was torn. Surgery was performed to smooth the bone.

Charles O. Finley, owner of the Athletics who was a patient himself in the Mayo Clinic last week, said Krause would do no more pitching this year.

## HOLD SUSPECT IN 2 MURDERS IN LOCK HAVEN

LEWISTON, N.Y. (AP) — State police here were holding Friday a man who is wanted for questioning in the slaying of two employees of a Lock Haven, Pa., variety store where he worked as a stock boy.

Dennis M. Vogel, 21, of Mill Hall R. D., Clinton County, Pa., who has indicated on a calendar in his trailer home that he was going to Canada during a vacation from July 25-Aug. 1, was arrested Thursday by Ontario Provincial police in an automobile about 20 miles north of Niagara Falls, Ont.

With him were his wife, Shirley Jean, 18, and their five-month-old son, Ronald. They were not held.

Vogel agreed to return to the United States, and was taken into custody by state police on a charge of being a fugitive from justice.

justice. His wife and son also came here, and were lodged in a local hotel.

**\$1,000 LOOT**  
He was scheduled to appear in court today for extradition proceedings. Pennsylvania authorities drove here from Lock Haven to try to arrange for his return to Pennsylvania.

Vogel is wanted for questioning in Wednesday's shooting of D. W. Atwood, 55, of Gettysburg, manager of the W. T. Grant Store in Lock Haven, and Mrs. Shirley Reichel, 27, of Dunnstown, the store's assistant office manager.

Police say the victims may have surprised a robber when they went to the basement to take an end-of-the-month inventory.

Store officials estimate about \$1,000 was taken from the safe in the basement office. Troopers said several hundred dollars in bills and change were found in cloth money bags in the trunk of Vogel's car.

EMMITTSBURG — A recital will be given today by students who have successfully completed the grades in piano and theory at the summer school conducted by Mrs. Louis F. Rosensteel, a former Peabody graduate. Participating are: Miss Sharon Danner, Miss Claudia Rosensteel, Miss Karen Warthen, Gregory Hollinger and John Hollinger.

Rev. and Mrs. Cameron Johnson, Williston, N. C., were recent weekend guests at the home of Mr. and Mrs. George Wilhide.

Miss Sarah Edwards, S. C., has been visiting with her brother-in-law and sister, Dr. and Mrs. W. R. Cadle.

The closing exercises of the first day camp for Girl Scouts and Brownies of Neighborhood 3 was held recently at St. Anthony's Grove with open house for parents and friends. A large number gathered to witness the closing program which opened with the lighting of the Campfire by the Senior Scouts, Mrs. Dorothy Good, executive director of Frederick County Girl Scouts and director of the camp, thanked all for their help and especially Father Tomalski, pastor of St. Anthony's Church for permission to use the grounds.

Mrs. John Chatlos, assistant director, introduced and thanked the counselors, their assistants, the nurse and purchasing agent for their assistance.

The Scouts gathered in a circle around the campfire, sang songs and played games for the guests. The Intermediate group presented a skit and the Brownies presented two short skits. Mrs. Robert Myers, leader of the Intermediate group, presented each Intermediate Scout with her Adventure badge which was earned during the camping session, which included an overnight trip to Cunningham Falls and a hike to Indian Lookout.

Mrs. C. Lease Bussard, president of Frederick County Girl Scouts, was unable to attend the closing ceremonies but she surprised the girls by sending them a large decorated cake commemorating the first birthday of St. Anthony's Day Camp. The cake was cut and served to the girls. The Senior Scouts closed the ceremonies with the reading of a poem and singing a song. Articles made by the girls at the camp were on exhibition.

## 65,000 ARE EXPECTED TO SEE GRID TILT

By CHARLES CHAMBERLAIN  
Associated Press Sports Writer  
CHICAGO (AP) — The Green Bay Packers, hale, hearty and apparently hungry, figure to give the College All-Stars a going over tonight and the odds favoring them—up to 23 points—are the biggest in the classic football series.

It's not that the All-Stars are that bad, for they have one of the most talented squads of the last 28 years. But it's that the Packers, winner of the 1961 National Football League championship with a crushing 37-0 victory over the New York Giants, are that good.

A crowd upwards of 65,000 will be in Soldier Field for the 29th game in the rivalry sponsored by the Chicago Tribune Charities, Inc. It will be televised and broadcast (ABC) starting at 8:45 p.m. EST. The weather outlook is for cloudiness after showers during the day.

The Packers limbered up under Soldier Field lights Thursday night and Coach Vince Lombardi said: "We're ready."

Lombardi has his squad intact—no injuries and Paul Hornung, Boyd Dowler, Ray Nitschke and Elia Pitts rejoined it after military service.

Such a complement makes the Packers a favorite to repeat in the NFL race this season. And if that's so how can the All-Stars, who have been in training only three weeks, be given any kind of chance?

Probable starting backfield for the All-Stars are quarterback John Hadl of Kansas, captain of the attacking unit; Angelo Dabiero, Notre Dame; Jim Saxton, Texas, and Curtis McCClinton, Kansas.

They are backed by such passers as Roman Gabriel, North Carolina, and Bobby Ply, Baylor; and such turf pounders as Bob Ferguson of Ohio State, Ronnie Bull of Baylor and Lance Alworth of Arkansas.

"Physically, the Packers will find us pretty much of a match," said Head Coach Otto Graham. Only two players are missing from the original squad. All-America halfback Ernie Davis of Syracuse is out with a blood disorder and Jim Skaggs, 230-pound guard from Washington, fractured a leg in the opening days of training.

The All-Stars haven't won since Graham's first year as head coach, 1958.

is Edler, Williamsport, Pa., equalled the Middle Atlantic AAU resident record of 3:02.6 in the 200-meter breaststroke.

Russell Kingery, Wilmington, Del., who was awarded the high point trophy for the three-day meet, won the 200-meter backstroke in 2:24.3.

Ron Brillhart, York, Pa., won the 200-meter freestyle in the junior championships with a time of 2:16.7, surpassing the meet record of 2:22.7.

## CZECHS LIST ROCKET GI AS HAVEN SEEKER

FRANKFURT, Germany (AP)—The Czechoslovak news agency, CTK, said Thursday a member of a U.S. Army rocket unit in West Germany has sought political asylum in Czechoslovakia.

The agency said the soldier, identified as R. S. Hareid, asked for asylum on the grounds of racial discrimination in the West.

### GENEVAN COMPANION

Hareid was accompanied by a German woman identified by CTK as Margita Schlotz, said to have been a U.S. Army employee in Germany.

In Washington, the Army said Sgt. Raymond S. Hareid has been absent from his unit since May 8 and was last seen near the Czech-Austrian border May 30.

Hareid was listed as assigned to the 5th Missile Battalion, 1st Artillery, 32nd Artillery Brigade, at Wiesbaden, Germany.

Army records show his next of kin as Mrs. Hatsuoka Hareid of East Providence, R.I. He enlisted in the Army in December 1949.

SOUTHAMPTON, N.Y. (AP)—T. Markoe Robertson, 84, noted architect, died Thursday of a heart attack. Robertson founded the architectural firm of Sloan and Robertson and contributed his talents to the building of a number of earlier Manhattan skyscrapers.

NAPA, Calif. (AP)—Gordon Murray, 64, who established the Wall Street Journal's first area edition in San Francisco in 1929, died Wednesday.

**THE SAUCY DIETER.** A reducer writes: I am something of a gourmet cook and specialize in sauces—rich ones. Giving them up to lose weight has been most

difficult. Spoiled my cooking and my enjoyment of what I cook! I live in hopes that you can pass on a few low-calorie sauce recipes that taste good.

The Answer: All dieting devotees of sauces will take delight in the recipes below. They cater to the taste buds and the figure, too.

**Sauce Verte for Cold Salmon:** Whirl these ingredients in blender—1/2 cup diced green pepper, 1/4 cup chopped parsley, 1/4 cup shredded spinach, 1 tsp. lemon juice, 2 diced green onions. Add mixture to 1 cup special mayonnaise. Makes 1 1/4 cups at 35 calories per tablespoon.

**Special Mayonnaise:** Combine in blender at slow speed, 1 cup polyunsaturated vegetable oil, 1/4 cup non-fat milk solids, 1/2 cup hot water. Add 1 1/2 tsp. salt, 1/2 tsp. mustard, 1/2 tsp. pepper. Mix

## ENRAGED MAN HOLDS EIGHT FOR 12 HOURS

By DICK STUART

PHOENIX, Ariz. (AP)—An embittered pipefitter, incensed by discontinuance of his disability checks, held eight men at gunpoint for 12 1/2 hours in a state office before detectives disarmed him Thursday night.

Charles Elmer Milligan, 32, of Tempe, was subdued by Sgt. Earl Moore and detective Don Rodriguez, who gained entry to the barricaded office by posing as newsmen.

Moments earlier, Milligan had voluntarily released five of his prisoners.

The drama began about 8 a.m. in a four-story state capitol annex housing offices of the Arizona Industrial Commission.

## House Committee Checks Strip Mines

WASHINGTON (AP)—Members of a House Interior Subcommittee will tour the Pottsville and Somerset, Pa., areas Saturday to help them decide whether the federal government should help reclaim strip mining sites.

Rep. Ed Edmondson, D-Okla., subcommittee chairman, said the trip which will include visits to both active and inactive mining sites—will show members how a strip-mining reclamation is done.

Edmondson said the subcommittee has spent two days hearing testimony. One argument during testimony was that industry under state regulation is reclaiming the land adequately. Others said federal government intervention is needed.

"We decided that it would be advisable for us to go out and see for ourselves," he said.

## KENNEDY MEN ARE WINNERS IN TENNESSEE

By GAVIN SCOTT

NASHVILLE, Tenn. (AP)—Tennessee Democrats endorsed ex-Gov. Frank Clement for a third term as governor Thursday and apparently unseated two veteran congressmen who opposed much of President Kennedy's program.

Clement scored an impressive victory over Chattanooga Mayor P. R. Oglanti and Memphis City Commissioner William W. Farris.

Rep. James B. Frazier, bidding for an eighth term, and Rep. J. Carlton Loser, trying for a fourth term, appeared to have been beaten in races so close the winners probably won't be known for certain until the official count. Their opponents endorsed Kennedy's New Frontier legislation and had heavy support of organized labor.

### RETURNS SHOW

Nearly complete returns showed Clement, 42, swept six of Tennessee's nine congressional districts. His share of the vote stood at 40 per cent, enough for victory in this state that has no runoff primary. It virtually assured him of election in November since Republicans seldom offer serious competition.

With returns from 2,488 of the state's 2,682 precincts, the vote today was Clement 278,734, Oglanti 180,269 and Farris 194,190.

In the Third District of south-east Tennessee, Frazier was edged out by Wilkes T. Thrasher Jr., 41. The unofficial vote from the 11-county district that includes Chattanooga was Thrasher 35,267, Frazier 35,177. Raymond Prater had 2,685 votes.

Loser staged a nip-and-tuck battle in the Fifth (Nashville) District with former State Sen. Richard Fulton, making his third try for the congressional seat.

Final unofficial returns gave Fulton 30,870 votes, Loser 30,767 and Gordon Turner 6,739.

Eddie Arcaro won six Belmonts in 22 attempts. Three of his mounts finished second, two were third and 11 out of the money. He rode seven favorites. Two choices were out of the money.

# CARDINAL SAYS PRAYER ORDER IS HARMFUL

PITTSBURGH (AP) — Francis Cardinal Spellman says the Supreme Court's ruling against the saying of the Regent's Prayer in New York public schools is "a decision which will be harmful to America."

Cardinal Spellman addressed the 64th annual international convention of the Fraternal Order of Eagles Thursday night and received the Eagles' 1962 World Fellowship Award for his "contributions to 'People-to-People' understanding in the world."

The cardinal said, "I fully appreciate the high responsibility of the court to guard our constitution and the delicacy of its task. But I am convinced that in this case six justices rendered a decision which will be harmful to America."

## PURGE RELIGION

The clear objective of the constitution's First Amendment, he said, was to separate church and state.

"By the First Amendment, however," he continued, "the founding fathers of our country never intended to purge public life in America of all religion."

The high Roman Catholic churchman went on to say there is currently a movement in America to remove religion entirely from the public domain.

"This is the establishment of a new religion of secularism," he said. "This should be ruled unconstitutional."

## "LEARN ABOUT GOD"

Turning to the question of federal aid to private and church schools, Cardinal Spellman said, "Some argue that not one penny of federal funds may be used to improve the excellence of their (pupils) education because in their schools, in addition to their regular subjects, they are permitted to learn about God."

"This is injustice," he said. "This is discrimination. This is an economic penalty against the schools performing a public service for our country parallel to that of the public schools. These parents are penalized for exercising their constitutionally protected right to send their children to the school of their choice—a right which even the Supreme Court has upheld."

## Rumor Red Chief May Attend U.N.

WASHINGTON (AP) — Diplomatic officials reported no backing Thursday for rumors that Soviet Premier Khrushchev may attend the United Nations General Assembly meeting which opens in New York on Sept. 18.

Both the Soviet Embassy and the State Department reported, in response to queries, that they had no indication of any such intention on Khrushchev's part. Some U.S. officials said, however, they would not be surprised if Khrushchev did decide to attend.

Rumors that Khrushchev may go to New York have been circulating here and in Western Europe.

## Urges Women To Guard Against Using New Drug

By WHITNEY SHOEMAKER

WASHINGTON (AP) — President Kennedy promises stiffer government controls to avert drug tragedies and urges every woman in the country to guard against taking thalidomide.

He asks all women to look through their medicine cabinets and turn in any thalidomide they find to health authorities. The drug is blamed for thousands of malformed births in Europe.

Kennedy issued the warning, along with an appeal for Congress to establish new safeguards against potentially harmful drugs, at his news conference Wednesday.

From the same platform, Kennedy castigated city officials in Albany, Ga., for not sitting down with Negroes and trying to rescue their constitutional rights. The President was asked about racial

strife in the Georgia community, where protests have led to a multitude of arrests and rising tension.

## CITES ALBANY

"The United States government is involved in sitting down at Geneva with the Soviet Union," he said. "I can't understand why the government of Albany, City Council of Albany, cannot do the same for American citizens."

As for the talks at Geneva, Kennedy said U.S. negotiator Arthur H. Dean will present new information gathered by the United States on a simpler, more economical and more effective system for detecting underground nuclear explosions and enforcing a test ban treaty.

Kennedy praised the Food and Drug Administration, especially Dr. Frances Kelsey, for alertness in preventing commercial distribution of the drug in this country. But he said "we ought to be tougher" in regulating distribution of drugs to doctors for experimental use and suggested this could be done without further legislation.

Stronger legislation than a bill approved by the Senate Judiciary committee, however, is essential for the government to yank new drugs off the market "where there is an immediate hazard to public health," Kennedy said.

## JAY SAW DOW PIVOT

AUGUSTA, Ga. (AP) — Jay Hebert, who pulled up lame with a touch of bursitis in the Masters, called the turn on Dow Finsterwald in the third round when the latter shot a sparkling 65.

"Dow is turning his shoulders just right," Jay said. "It's the first time I've really seen him pivot properly."

Dow lost it in the three-way playoff, finishing third with a 78.

On other subjects, the President had this to say:

Peru—Steps taken by the military junta that took over the Peruvian government have been encouraging but the United States hopes for additional evidence of a return to free, constitutional government. He implied additional assurances would bring about U.S. recognition of the new regime.

Economy—He is "not satisfied" with the performance of the U.S. economy during his administration—growth is insufficient—but he is ready to compare his record with that of the Eisenhower administration.

Tests—The United States will set off no more atmospheric tests in Nevada, he said, and a decision on conducting three additional tests at Johnston Island in the Pacific will be made after the launching pad there is repaired.

Communications Satellite—Kennedy said he still backs the administration bill to establish a private corporation to operate the U.S. portion of a global communications satellite system. Senate consideration of the measure had been delayed by a filibuster.

## FOUR PERISH FIGHTING FIRE

MARIPOSA, Calif. (AP)—Four U.S. Forest Service employees died and two others were critically burned Thursday when their pumper truck was trapped by flames as they fought a fire east of Mariposa.

The Sierra National Forest headquarters in Fresno identified the dead as Marty Georgi, age unknown, of Mariposa, father of five; Tom Foley 39, Mariposa; John Von Roch, 46, Mariposa; and Roy St. Pierre, 17, Merced, who died after being taken to Mercy Hospital in Merced with burns over 90 per cent of his body.

The two survivors of the six-man crew taken by helicopter to John C. Fremont Hospital in Mariposa in critical condition were Kent Stoel, age unknown, of Mariposa, and Roy Chapin, age unknown, of Mariposa.

All except Georgi were employed by the Forest Service. Georgi was a soil conservation worker.

**PROPOSED AMENDMENTS TO THE CONSTITUTION APPLICABLE TO THE FIRST TIME BY THE SESSION OF 1962 OF THE GENERAL ASSEMBLY OF THE COMMONWEALTH OF PENNSYLVANIA AND PUBLISHED BY THE ORDER OF THE SECRETARY OF THE COMMONWEALTH IN PURSUANCE OF ARTICLE XVIII OF THE CONSTITUTION.**

**SECTION OF 1961 No. 9**  
A JOINT RESOLUTION  
Proposing an amendment to article three, section eighteen, of the Constitution of the Commonwealth of Pennsylvania, providing for grants or loans to residents of the Commonwealth for higher educational purposes.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The following amendment to the Constitution of the Commonwealth of Pennsylvania is proposed in accordance with the provisions of the eighteenth article thereof:

That section eighteen, article three of the Constitution of the Commonwealth of Pennsylvania be amended to read:

Section 18. No appropriation shall be made for charitable, educational or benevolent purposes to any person or community nor to any denominational and sectarian institution, corporation or association, except as hereinafter provided: Provided, That appropriations may be made for pensions or gratuities for military service to blind persons twenty-one years of age and upwards, and for assistance to mothers having dependent children and to aged persons without adequate means of support, as in the form of scholarship grants or loans for higher educational purposes to residents of the Commonwealth enrolled in institutions of higher learning, except that no scholarship grants or loans for higher educational purposes shall be given to persons enrolled in a theological seminary or school of theology.

## SECTION OF 1961 No. 10

**A JOINT RESOLUTION**  
Proposing an amendment to article nine, section four of the Constitution of the Commonwealth of Pennsylvania, providing for and regulating Commonwealth debt for certain improvements and certain other purposes and prohibiting debts and obligations inconsistent therewith.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The following amendment to the Constitution of the Commonwealth of Pennsylvania is proposed in accordance with the provisions of the eighteenth article thereof:

That article nine, section four of the Constitution of the Commonwealth of Pennsylvania be amended to read:

Section 4. (a) No debt shall be created by or on behalf of this Commonwealth, except as hereinafter provided, (2) the debt is for capital improvements separately specified in the statute, (3) the debt has been submitted to the qualified electors of the Commonwealth at a general, municipal, primary or special election and has been approved by a majority vote of those voting on the question, and (4) the debt is evidenced by general obligation bonds of this Commonwealth, except as herein provided, no debt or other obligation shall hereafter be created by or on behalf of the Commonwealth or by any authority or other agency the repayment of which is to be made by or through revenues from designated projects and not payable out of any other revenues of the Commonwealth, (2) to the debt created in a manner provided by law by the issuance and sale of tax anticipation notes payable in the fiscal period in which they are issued from revenues already provided, (3) to loans authorized by section eighteen of this article, and (4) to leases and contractual obligations entered into for the purpose of financing capital improvements by making payments through rentals or otherwise to liquidate debts created by authorities or other agencies without the approval of the qualified electors. Nor do the foregoing provisions apply to debt created to repel invasion, suppress insurrection or defend the Commonwealth in war or to rehabilitate areas affected by disaster. No debt to supply casual deficiencies of revenue shall be created exceeding one million dollars in the aggregate at any one time.

(b) All bonds issued shall be serial bonds repayable in equal annual installments over a period of time which shall be provided by law. The first principal payment shall be not more than two years after the date of the bond.

(c) The General Assembly may authorize, by statute, the issuance of general obligation bonds for the purpose of assuming any debt heretofore incurred by any authority and which is currently payable from Commonwealth revenues under leases to this Commonwealth.

The General Assembly may, from time to time, authorize by law the issuance of refunding bonds to pay any bonded debt of the Commonwealth existing at the time.

## SESSION OF 1961 No. 11

**A JOINT RESOLUTION**  
Proposing an amendment to article four, section twenty-one of the Constitution of the Commonwealth of Pennsylvania, changing the time at which the Auditor General, the State Treasurer and the Secretary of Internal Affairs take office and permitting the Auditor General and State Treasurer to succeed themselves for one additional term.

The General Assembly of the Commonwealth of Pennsylvania hereby resolves as follows:

Section 1. The following amendment to the Constitution of the Commonwealth of Pennsylvania is proposed in accordance with the provisions of the eighteenth article thereof:

That section twenty-one, article four of the Constitution of the Commonwealth of Pennsylvania be amended to read:

Section 21-A. The terms of the Secretary of Internal Affairs, the Auditor General and the State Treasurer shall each be for four years, and their respective terms shall begin on the third Tuesday of January next following their election, and they shall be chosen by the qualified electors of the State at general elections. Any person elected to the Office of the Auditor General or the Office of the State Treasurer after the adoption of this amendment, other than the present incumbents of said offices, shall be capable of holding the same office for two consecutive terms.

Schedule  
That no inconvenience may arise from the change in the Constitution of the Commonwealth and in order to carry it into complete operation it is declared that:

The Auditor General, the State Treasurer and the Secretary of Internal Affairs, who may be in office when this amendment is adopted, shall serve until the end of their respective terms for which elected. The term of the Auditor General, the State Treasurer and the Secretary of Internal Affairs first elected after this amendment is adopted, or who is elected at the same election at which this amendment is adopted, shall begin at the end of the term of the Auditor General, the State Treasurer and the Secretary of Internal Affairs then in office.

## SECTION OF 1962 No. 3

**A JOINT RESOLUTION**  
Proposing an amendment to article eight, section one of the Constitution of the Commonwealth of Pennsylvania, changing residence requirements.

The General Assembly of the Commonwealth of Pennsylvania hereby resolves as follows:

Section 1. The following amendment to the Constitution of the Commonwealth of Pennsylvania is proposed in accordance with the provisions of the eighteenth article thereof:

That article eight, section one of the Constitution of the Commonwealth of Pennsylvania be amended to read:

Section 1. Every citizen twenty-one years of age, possessing the following qualifications, shall be entitled to vote at all elections subject, however, to such laws requiring and regulating the registration of electors as the General Assembly may enact.

1. He or she shall have been a citizen of the United States at least one year.

2. He or she shall have resided in the State ninety (90) days immediately preceding the election.

3. He or she shall have resided in the election district where he or she shall offer to vote at least sixty (60) days immediately preceding the election, except that if qualified to vote in an election district prior to removal of residence, he or she may, if a resident of Pennsylvania, vote in an election district from which he or she removed his or her residence within sixty (60) days preceding the election.
